### Winter Fair

The final countdown is on – help is still needed with all the below so please please get in touch with how / where / when you could help – THANK YOU!

### STALLS STILL NEEDING VOLUNTEERS

All class reps could do with more volunteers to help with their class activity/stall but in particular we need extra manpower for the following two new activities:

- **WHEEL OF FORTUNE:** It's back! Please help the kids spin the wheel of chance by offering to do a shift on this popular game.
- **S'MORES FIREPIT:** New for this year, marshmallows will be roasting by the grotto and we're in need of lots of adult supervision here.

Please email Emma at [Lyndhurst@pta@gmail.com](mailto:Lyndhurst@pta@gmail.com) if you could do a shift on either.

### SET UP & CLEAN UP

We always need people willing to pop along to school on the morning of the fair to help us put up gazebos, set up tables for stalls, hang xmas lights etc. If you can drop by any time after 10am we'll find something for you to do. Likewise, if you can stick around after the fair to help pack up. The more willing hands the better... and faster! Thank you!

### CAKES & GINGERBREAD

The tea & cake stall relies on your wonderful creations to sell on the day and the biscuit decorating stall would gladly welcome donations of gingerbread. Baked items can be brought to school on Friday afternoon or to the fair on Saturday.

### CHOCOLATE

The competition is hotting up... please keep the donations coming in. Fair trade chocolate = double weight.
