

How to find and upload home learning work

1. Log in to Purple Mash.
2. Click on **Work** at the top

3. Click on the 'Class' arrow, then the class name arrow, then 'Home Learning'.

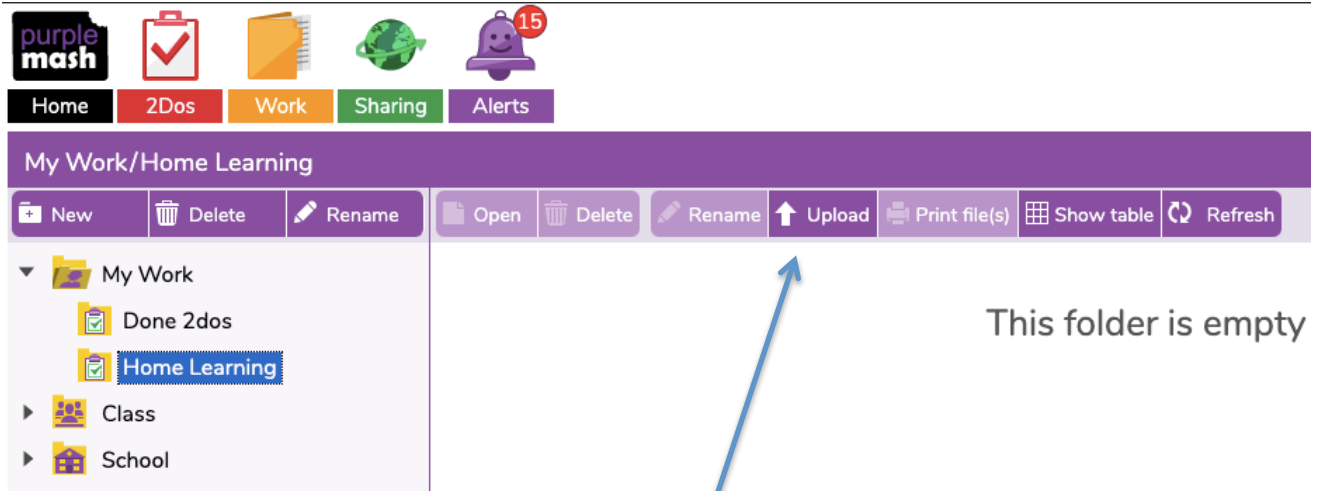

Click the learning document you want to see, then click 'Open'.

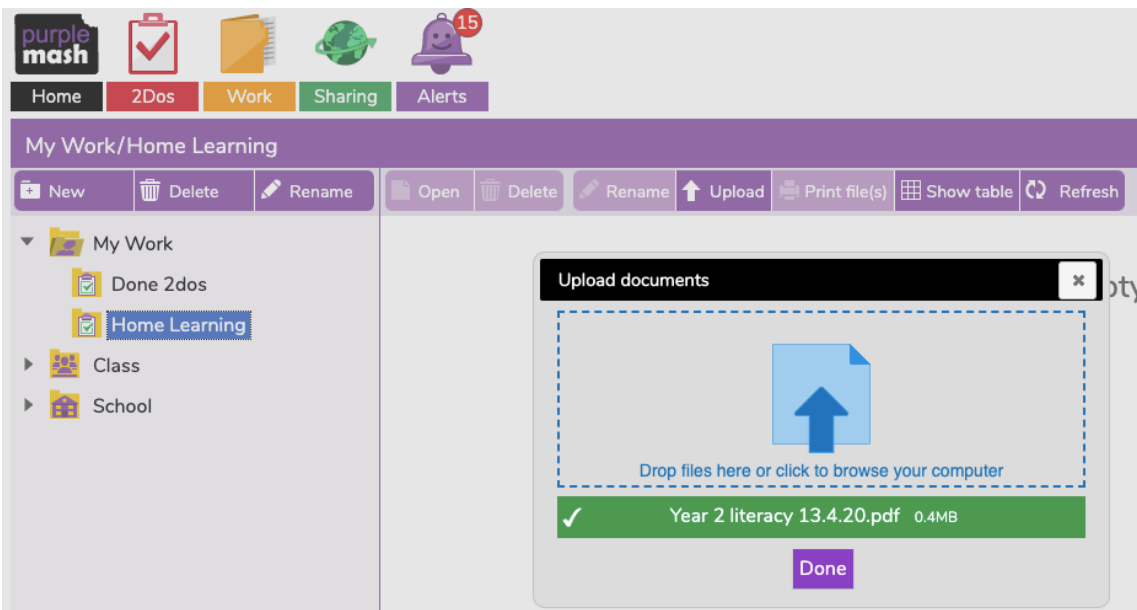

Now you can view the work, including the picture (literacy) and questions your child will need to complete.

Children CANNOT upload there work here – please see next page to do this.

To upload a photo or document with your child's work on it:

1. Click 'Work' at the top.
2. Click the 'My Work' arrow.
3. Click Home Learning.
4. Click  on the top bar.
5. Select the file you want to upload and when you have the green tick, click 'Done' and the file will be uploaded.
6. You're done! Your teacher can now see and mark it!

This is a different Home Learning folder for JUST your child and **not** the same place where you will find the work from your teacher.
